

APPETITE PRODUCTION OFFER

Our company provides production services for film crews from all over the world and takes the production from scratch to screen in a cost-effective and flawless way. Every project, whatever the size or budget, is given the same individual and dedicated approach.

We operate all over Poland and specialize in all kinds of film production services. Apart from films, we create television productions – documentaries, shorts, TV series – as well as promotional and corporate videos, music clips, commercials and many more.

If you are interested in shooting your next project in Poland – a beautiful, diverse country that offers top film services meeting your high requirements, remarkable locations, and last but not least, reasonable costs - we will see your project through its way from pre-, to post-production.

Appetite is a one-stop-shop for production services. What we provide for your project is:

- Location scouting and documentation
- Access to film equipment rental fitting your budget
- Permissions
- Contact with top professionals in the business
- Organization of the shooting process
- Food and catering facilities
- Preproduction to postproduction management
- World class postproduction facilities and technology
- Reasonable costs
- Guidance through the Polish legal and financing system
- Dynamic, experienced and open-minded production crew

All over Poland we work with companies which provide equipment, crew, casting, catering facilities etc. We hire top professionals who are always at your disposal to make the most of your script. Choosing *Appetite* is like working your way into the little black book of contacts for best production services.

See how fast and well we can fit your individual needs –
you're only three clicks away from shooting in Poland!

Decide how much you can spend, attach your script and ideas

Send it to us

We will provide you with an initial budget and suggested locations in less than 48 hours!
